

## The Letters of Paul

Much of the New Testament involves the ministry of Paul. During his ministry he wrote 13 letters that are included in The New Testament. These letters, called epistles, are arranged in the Bible according to the location of their recipients rather than the order in which they were written. Study the ministry of Paul as well as the early church by reading and studying these 13 epistles.

Romans  
1 Corinthians  
2 Corinthians  
Galatians  
Ephesians  
Philippians  
Colossians  
1 Thessalonians  
2 Thessalonians  
1 Timothy  
2 Timothy  
Titus  
Philemon
