

First Baptist Jackson
Direct Debit Authorization
An Option For Paying Tithes and Offerings

Direct Debit Is Convenient

- √ Direct Debit saves time because you don't write a check. You only need to account for the payment in your check register.
- √ Direct Debit is easy. Once you complete this authorization form, it remains active until you notify the Business Office of a change or until the end of the current year.
- √ Direct Debit is less paperwork. Your bank statement that shows the payment is your receipt verifying that the payment was received by First Baptist Jackson.
- √ Direct Debit reflects a Biblical principle. All drafts are made on the first business day of each month because the Bible teaches us to give our tithes out of the "first fruits."
- √ Direct Debit doesn't forget. The Business Office will ensure that your church receives your tithe each month even when you are on vacation.
- √ Direct Debit remains the same during the current year. At the end of each year, you will be contacted regarding your monthly tithe for the next year and to verify that you want to continue using Direct Debit. If you want to change the amount, please contact Linda Craft in the Business Office at 601-949-1930.

What The Business Office Needs From You

For First Baptist Jackson to debit your checking account, we need to know your bank name and account number. You can use your current bank account; you don't need to use a specific financial institution. Simply sign below and attach a **voided check**. Please return this form to the Business Office.
