Unit 6 — Heaven Bound

Lesson 1 — Because of Jesus' sacrifice, we can be saved from sin.

Introduction — It's never too early to teach your kids that God wants a decision from us: Do we accept His offer of forgiveness and eternal life, or do we reject it? We're free to choose either way. It's not a simple matter of deciding to believe this or that in our heads. Beliefs are important, but what really matters most is our will. Shall we surrender our lives to God, or will we put the notion out of our heads and try to live life without Him?

Your kids need to understand that being raised in a Christian home doesn't automatically make them Jesus' followers. That's something they have to choose for themselves.
