

Student Ministry Sunday School:

We all feel the need to connect to others. Here at First Baptist Jackson, that is one of our goals—to connect you to God and to others. Student Ministry Sunday School begins with worship led by Jennifer Smith & our student band before dividing grades 7-9 & 10-12 for the big group Bible study. We conclude the morning with teens meeting in small groups led by caring adults where they learn to apply the Bible study to their lives. Donuts and drinks are available before and after Sunday School. We meet at 9:00 and 10:30 each Sunday morning on the 3rd floor of the Christian Life Center.
